

# 2023 Federal & State Education Funding Update

February 23, 2023

# Before we get started...

- Your microphones will be muted during the webinar
- **Please enter your questions at any time** during the presentation in the lower portion of the Q&A box that you can access from your control bar.

# Who is Westchester?

- Westchester Education Services offers development services, including product development, art & design, and production, provided as a full-service package or selected a la carte based on your needs.
- We customize processes to fit your needs, delivering to your expectations, project after project. This is what makes Westchester your trusted partner in education.
- Westchester Education Services is headquartered in Dayton, Ohio, with resources throughout the US, Europe, and India. We are a division of employee-owned Westchester Publishing Services.

**Kevin J. Gray**

*President & Chief Content Officer*

Westchester Education Services

# Meet Our Speaker

**JAY DISKEY**

*Principal*

Diskey Public Affairs

- Led the Association of American Publishers' education division
- Former chair of the International Publishers Association's education committee
- Served as a senior staff member of the U.S. House of Representatives' Committee on Education and the Workforce

# Today's Discussion

- Federal funding (annual & ESSER)
- State funding for K-12
- State instructional materials adoptions
- Question & Answer Segment

# Fiscal Year 2023 Federal Funding Increases

- Title I funding for disadvantaged students rose 4.8%, from \$17.5 billion to \$18.4 billion year over year.
- Title III funding for English language acquisition programs increased by 7%, from \$831 million to \$890 million.
- Title IV block grant funds for academic enrichment increased by 7.7%, from \$1.3 billion to \$1.4 billion.

# Fiscal Year 2024 Proposals for K-12 (selected states)

- +9.9% New York
- +6.6% Indiana
- +5.0% Illinois
- +4.8% Florida
- +4.0% Georgia
- +1.8% Alabama
- +0.3% Mississippi
- **-1.3%** California

# State Adoption Outlook (classroom implementation dates)

## 2023

Florida – science

Idaho – world languages

Oklahoma – math

Oregon – science

Tennessee – science, career tech, fine arts

West Virginia – world languages

## 2024

Alabama – science, CTE

California – math (delayed)

Florida – world languages

Mississippi – math, social studies, arts

New Mexico – science

North Carolina – science, health

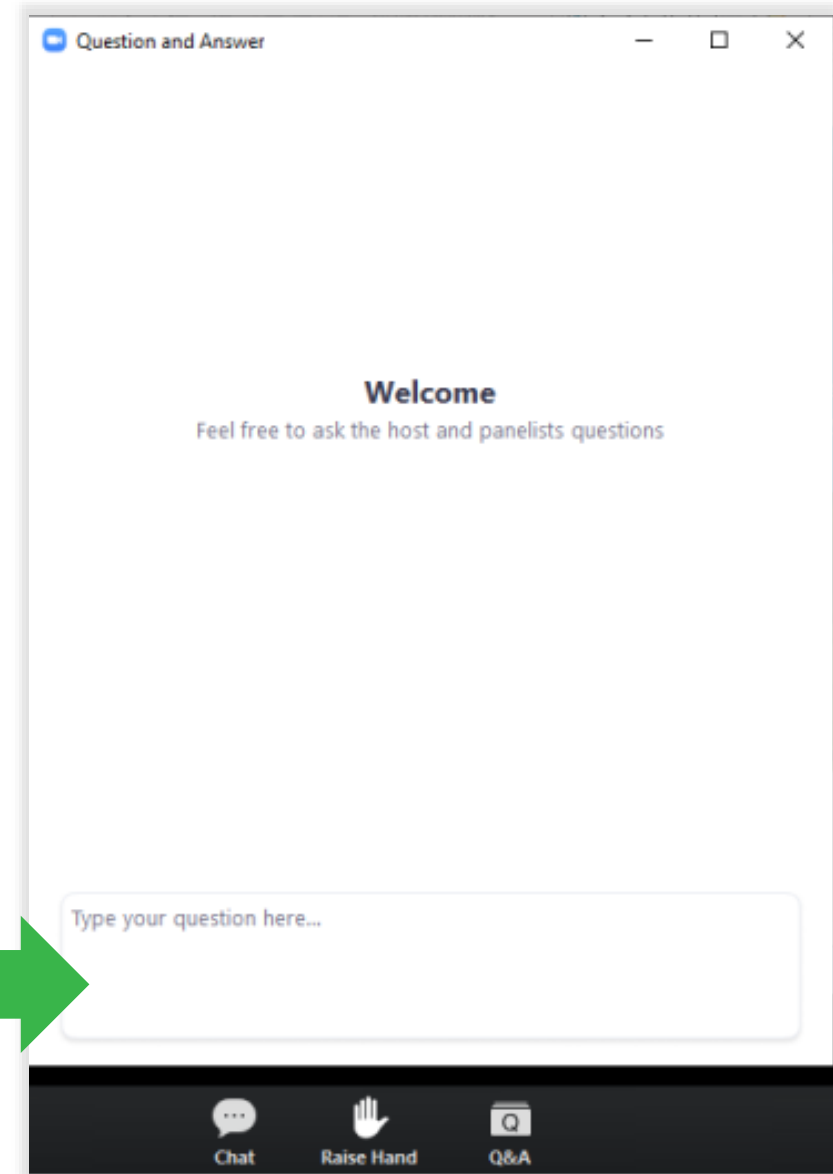

Tennessee – social studies

Texas – science

Note: Classroom implementation of each adoption generally occurs the academic year following the “bid/review” year. Dates are subject to change.

# Q&A

- Microphones will remain muted during the Q&A
- We will address previously submitted questions first
- Enter your questions in the Q&A panel, and we'll get to as many as possible during the time that remains.

# Thank You

We hope you found today's session informative.

Within the next week, Westchester Education Services will email you a link of the webinar video.

# Tell Us How We Did

Please help us continue to deliver useful information to you, by completing the short survey that will appear on your screen when the webinar concludes.

You can also access the survey using [this link](#).

# Tell Us How We Can Help

Westchester Education Services is here to help our clients and colleagues in the education publishing sector identify solutions that resolve your content development challenges.

Meet with us during BETT UK, March 29-31 or ASU-GSV, April 17-19 to learn more.
